

WELCOME TO FAIRMONT CHICAGO, MILLENNIUM PARK.

We truly appreciate you choosing our hotel. As you settle into your stay, please allow us to share a sense of our hotel's place, people and purpose.

Nestled between Michigan Avenue and Lake Michigan, our hotel enjoys a unique location on Millennium Park, where the natural beauty of Chicago meets its urban elegance and energy. Explore your surroundings amidst our nature-inspired décor, a nod to our sense of place.

Our tenured colleagues are the heart of our hotel and bring your Fairmont experience to life. We are united in our passion to connect our guests to the very best of Chicago. On your way out to explore the city, discover our entryway sculpture, Chicago Works, inspired by the hard work and grit of the people of Chicago. The clock is set at 5pm to symbolize the end of the work day and pride in a job well done. Whether you have traveled here for a landmark meeting or an individual moment of discovery, we

thank you for giving us the opportunity to turn moments into memories for you on Millennium Park.

One way we do that is through our distinct culinary offerings, using only the finest ingredients to capture the essence of each season. Whether you choose our in-room dining experience or visit our restaurant in the Lobby Bar, we invite you to savor a fresh approach to some local Chicago flavors. Don't miss our Tap Burger, a personal favorite of our executive chef, available in both the original and plant-based versions.

Should you have any requests or opportunities you see, kindly do let us know; it would be our pleasure to exceed your expectations.

On behalf of our entire Fairmont Chicago team, our sincere thanks and best wishes for a memorable stay.
